

The SyrVet Insider

November 2011 Edition

SyrVet™ Reusable Leg Bands

Tough plastic leg bands for marking cows in a group pen. The bands have a ratchet lock for easy adjustment. Use to indicate a temporary condition such as mastitis, or even to number animals individually. Easy to attach and easy to remove and reuse. Bands are blank to allow for marking with plastic ear tag markers, if desired.

Available in several colors for flexibility in herd identification: White, Pink, Purple, Orange, Red, Blue, Green, Yellow.

SyrVet™ Plastic Ear Tags

New! Our large, yellow ear tags are made of high quality polymer, and measure 7.5 cm x 4.9 cm (2 15/16" x 3 11/16"). Highly visible and laser printable. Compatible with Allflex® applicator*. Metal-tipped male tags are included.

One bag contains 25 sets of male & female tags (50 total pieces).

Item # ETAG YELLOW SET (1 Bag/25 Sets)

*Allflex® is a registered trademark of Allflex USA, Inc.

SyrFlex™ Cohesive Flexible Bandages

Popular item! Our self-adhesive bandages are a must for any animal owner's first aid kit. The breathable, durable construction provides consistent lightweight compression and does not tighten with wear. Sticks to itself, not skin, hair, or wounds! Rolls are individually wrapped, and available in several colors.

4" Bandages: 18 Rolls/Box; 6 Boxes/Case
2" Bandages: 36 Rolls/Box; 6 Boxes/Case

Warehouse Expansion Complete!

The New Warehouse Addition

Back in March, we told you about upcoming construction to increase our warehouse size by 20,000 sq. ft., creating a space that totals almost 50,000 total sq. ft. The explosive growth SyrVet has experienced in recent years left us no choice but to expand our space to meet the demands of our customers worldwide. The construction is now complete, and we are quickly filling the new space with additional products and quantities, ready to ship to you. Here are some photos of the construction process!

- 1) Preparing the ground for the new addition
- 2) Concrete is poured and support beams go up
- 3) Walls are added
- 4) The view from inside the new warehouse addition!
