

# The SyrVet Insider

October 2011 Edition

## Halogen Heat Lamp Bulb & Holder

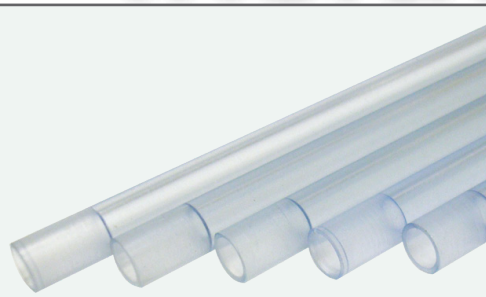

Halogen infrared heating warms a larger area more quickly & efficiently than traditional heating systems. The bulbs have proven long lifetimes & are water/shock resistant. Heating intensity doesn't decrease throughout the lifetime of the bulb!

Item #TA5175—175 Watt Bulb

Item #TA5250—250 Watt Bulb

Item #TA5000—Lamp Holder (sold in 6/case qty only)

(High/low switch, aluminum structure)

## SyrVet™ 21" Drilled A.I. Infusion Tubes

Our new 21" (53.34 cm) Drilled Infusion Tube has a drilled end that is compatible with any luer tipped syringe for a snug fit. There is no need for an adapter! Made of quality PVC, the tubes have rounded, smooth ends. Used for uterine infusion after artificial insemination.

Item #5230-SYR-C

1,000 Tubes/Case (25 Tubes/Bag, 40 Bags/Case)

## Horse Sense™ 600D, 200G Turnouts

Introducing new 600D turnout colors for Fall/Winter 2011–2012: Blue Plaid and Golden Brown.

Horse Sense™ turnouts are rip-stop, waterproof, and very durable. They stay put with a two-buckle front closure with hook & loop fastener, adjustable criss-cross belly straps, and adjustable elastic leg straps.

Sizes: 69", 72", 75", 78", 81", 84"

\* Also available in Navy, Hunter Green, & Cranberry

Listed

## CAI-PAN® mint Udder Cream—Now OMRI Listed®!

SyrVet, Inc., the exclusive distributor of CAI-PAN® mint Udder Cream in the Americas, is proud to announce that CAI-PAN is now OMRI Listed®! OMRI (Organic Materials Review Institute) provides organic certifiers, growers, manufacturers, and suppliers an independent review of products intended for use in certified organic production, handling, and processing. When companies apply, OMRI reviews their products against the National Organic Standards. Acceptable products are OMRI Listed and appear on the OMRI Products List. Visit [www.omri.org](http://www.omri.org) for more details.

When a product like CAI-PAN mint Udder Cream is OMRI Listed, it means that it may be used in certified organic production or food processing and handling, according to the USDA National Organic Program Rule. You may view the OMRI Listed certificate on our website: <http://ow.ly/6IWLe>

# The Difference Can Be FELT

We are sometimes asked what makes our O.B. Shoulder-Length gloves different from our competitors. We have a FEELING the answer is obvious from the photos below:

SyrVet Glove

**SMOOTH SEAMS**  
for animal comfort

Competitor's Glove

**Ragged, rough seams**

## Features

- **SMOOTH SEAMS** on our O.B. gloves mean greater comfort for your animals.
- Sensitive touch for precision work
- Shoulder-length (36" / 92 cm) long (most competitors' are only 34" long)
- Strong seams
- Available in 1 mil and 1¼ mil thickness

### SyrVet Clear Shoulder-Length O.B. Gloves

| Item No | Qty        | Thickness |
|---------|------------|-----------|
| TA722   | Bag of 10  | 1 mil     |
| TA721   | Box of 100 | 1 ¼ mil   |
| TA717   | Box of 100 | 1 mil     |
