

The SyrVet Insider

June 2011 Edition

SyrFlex™ Sterile Bandage with Pad

A sterile absorbent pad combined with cohesive bandage makes bandaging easier! Flexible, it provides consistent, lightweight compression. The pad won't stick to the wound, and the bandage sticks only to itself, not to skin or hair! Hand-tear; no scissors required. Individually wrapped rolls. Color: Black.

Item# TA3400PADBLK

Qty: Sold by the Box (8 Rolls/Box; 8 Boxes/Case)
