

The SyrVet Insider

May 2011 Edition

NEW!

SyrVet™ Livestock Prod

SyrVet proprietary design! Our new Livestock Prod features a **solid state electronic motor**, high impact polymer construction & retail ready packaging.

Superbly balanced, the prod's **rugged**, tough design is **water resistant** and comes in **four shaft lengths: 9", 22", 34", and 44"**. Size "C" SyrVet Livestock Prod Batteries are also available and work in any prod using "C" batteries.

SyrFlex™ Cohesive Flexible Bandages

A best seller! Our self-adhesive bandages are a must for any animal owner's first aid kit. The breathable, durable construction provides consistent lightweight compression and does not tighten with wear. Sticks to itself, not skin or wounds! Rolls come individually wrapped in several popular colors.

4" Bandages: 18 Rolls/Box; 6 Boxes/Case

2" Bandages: 36 Rolls/Box; 6 Boxes/Case

Horse Sense™ Fly Masks

The **BEST** fly mask on the market! Made with durable netting, these masks are double stitched and made to last. Adjustable Velcro® fasteners keep the mask on for a simple and secure fit. Strategically placed eye darts help keep it away from eyes. Some styles available with ears and/or with extended nose coverage.

With 19 styles and sizes to choose from, we have a fit for almost every horse! Please visit our website for a full listing: www.horsesense.us.com

The Difference Can Be FELT

We are sometimes asked what makes our O.B. Shoulder-Length gloves different from our competitors. We have a **FEELING** the answer is obvious from this photo:

SyrVet O.B. Glove Features

- SMOOTH SEAMS on our O.B. gloves mean greater comfort for your animals.
- Sensitive touch for precision work
- Shoulder-length (36" / 92 cm) long (most competitors' are only 34" long)
- Available in 1 mil and 1¼ mil thickness

Supervet™ Hard Pack Disposable Syringes

Designed for farm animal use, these disposable hard packed syringes have reinforced tips to reduce breakage. The positive plunger stopper eliminates costly overflow, and the lubricated rubber plunger assures smooth delivery of medication. Sterile, latex free, non-pyrogenic, and autoclavable. Available in luer lock and luer slip tips.

Hard Pack Luer Lock Disposable Syringes Without Needle
